

321—26.1(17A,231B,231C,231D) Monitoring.

26.1(1) The department of inspections and appeals (DIA) shall monitor a certified program at least once during the program's certification period.

26.1(2) All records and areas of the program deemed necessary to determine compliance with the requirements for certification under 321—Chapters 24, 25 and 29 shall be accessible to DIA for purposes of monitoring.
